OPEN MEETING DATE: 3-31-10

Page 11, line 8, INSERT New Finding of Fact: "While the Commission today approves this pilot program, and acknowledges that the energy procured from the homes that receive solar systems will count toward the Company's distributed energy requirement under R14-2-1805, we limit our findings in this regard to this project, and make no determination regarding whether future utility-owned, residential customer-sited projects will be eligible for meeting a utility's distributed energy requirement."

Page 12, line 9, INSERT New Ordering Paragraph: "IT IS FURTHER ORDERED that the Commission limits its findings in this docket to this Flagstaff Pilot Project, in particular the finding that the energy procured from the residences that receive solar systems will count toward Arizona Public Service Company's distributed energy requirement under R14-2-1805; and make no determination regarding whether future utility-owned, residential customer-sited distributed generation projects will be eligible for meeting a utility's distributed energy requirement."

Make all conforming changes.
